Apply for RSSIA 2018: Discover Your Research Potential

Every summer since 2007, the Center for Institutional Studies at the National Research University Higher School of Economics has been organizing the annual Russian Summer School on Institutional Analysis (RSSIA). Students and researchers from around the world convene in Moscow to enjoy a whole week of lectures and consultations, presentations, discussions and networking, as well as the opportunity to be inspired by the experts.

‘Information about the School is Passed from Generation to Generation’

From July 2 – 7, 2016, the 10th Russian Summer School on Institutional Analysis (RSSIA) took place just outside of Moscow. This event traditionally attracts experts in various areas of institutional research, as well as young researchers, for whom the School is a chance to work on projects under the supervision of leading scholars.

LIA and CInSt Hold Academic Celebration

On May 30, the HSE held a conference dedicated to the 10th anniversary of the International Research Laboratory for Institutional Analysis of Economic Reforms (LIA) and the 5th anniversary of the Centre for Institutional Studies (CInSt). Maria Yudkevich, director of the LIA, spoke about how and why the laboratory and centre were established, the research they conduct and what guests experienced at the conference.

'It’s Good to See that Society Is Starting to Listen to Scholars’ Opinion'

Last Friday, the day before Russian Science Day, we published stories by several HSE scientists on how they got into science. We received a lot of responses, so we decided to continue the project. Today, another four HSE scholars, including one Nobel laureate, discuss their journeys into science.
